March 2025

Rev. Thomas Nasta, President Ken Arendt, and fellow members of the FCSU Board of Directors:

It has once again been a privilege and an honor to serve as your National Vice-President.

In 2024, I performed all the duties required of me as stipulated by the bylaws and asked by the President. I attended all the Quarterly Board of Directors meetings, as well as all the monthly executive committee meetings, either in person or via an online meeting. I have also made myself available to attend any impromptu online meetings when so invited by the President.

As a member of the Investment Committee, I regularly receive emails and text messages from Larry White, our asset manager, regarding investment opportunities which need to be acted upon in a timely manner. In April 2024, I attended an insurance symposium presented by AQS in Independence, OH.

As a member of Region 2, I've attended, via online meetings, all of Region 2's district meetings, where I help keep the members informed and answer any questions they may have.

I participated in the annual bowling tournament in Pittsburgh, PA, but was unable to attend the golf tournament this year due to other commitments. My family and I attended the National Picnic in June 2024 at Knoebels Amusement Park in Elysburg, PA, and Slovak Day at Kennywood Park in West Mifflin, PA. I also participated in various fraternal activities: Coloring Contests, March Madness, and the Football Losers Pool. As always, it is my intention to participate and hopefully attend fraternal events again whenever permissible.

Fraternally,

Damian D Nasta  
National Vice-President
