Happy New Year from the FCSU Staff!

Update From The President

On behalf of our staff and board of directors, we wish you and your loved ones a happy, healthy, and prosperous New Year. Your membership and support have made this past year a successful one for our society. Together, we have not only strengthened our fraternal bonds but also extended our mission of service and financial security through our life insurance and annuity programs.

It is with a heavy heart that I share the news of the passing of John Leskovyansky, a dedicated member, branch and district officer and long-serving Internal Auditor. John's unwavering commitment and many years of service played a vital role in advancing our mission and ensuring the soundness of our operations. He was more than a colleague; he was a valued member of our fraternal family. His dedication, professionalism, and kind spirit left an indelible mark on all who had the privilege to know him. We extend our heartfelt condolences to his family and loved ones during this time of sorrow, and we pray for God's comfort and peace to be with them.

The position of Internal Auditor will be filled and we are committed to appointing a qualified individual to carry on this essential role. Please see page three for more information.

As we continue to look for ways to serve you more efficiently, I want to inform you of an important update regarding our annuity statement mailing. Beginning this year, you will receive only one year end annuity statement, which will be mailed to you in January. This change will allow us to save time and resources, reduce costs, and contribute to lowering our carbon footprint without compromising access to your account information. We encourage you to take advantage of our member online portal,

Message from the National Chaplain

Happy New Year!

Pope Francis declared 2025 to be a Year of Jubilee. This is a summary of his letter proclaiming the Jubilee, the title of which comes from Romans 5:5, "Hope Does Not Disappoint."

A word of hope

Francis here tells how Paul communicated the message of God's hope to the Christians in Rome. He cites Romans 8:35f, recalling Paul's confidence and strong belief that no person or thing ever separates us from God's love. He then relates hope with another virtue – patience. Paul, he says, frequently speaks of patience in the context of the need for confident trust and perseverance in God's promises. He reminds us that patience is a fruit of the Holy Spirit that sustains and strengthens our hope as a way of life and a virtue.

A journey of hope

Francis anticipates pilgrims to travel to Rome for the Jubilee and visit the various churches and catacombs. Churches on the pilgrimage route as well as in Rome are to be "oases of spirituality" and places of rest for pilgrims. The Sacrament of Confession should be made available.

The Holy Year 2025 looks forward to 2033 and the 2,000th anniversary of Christ's redemptive act.

The Holy Father gives the dates when the Holy Door in each of the four major basilicas in Rome (St. Peter's, St. John Lateran, St. Mary Major, St. Paul Outside the Walls) is to be opened and closed for the Holy Year. He also directs diocesan bishops throughout the world to celebrate a solemn opening of the Holy Year in their cathedrals on Sunday, December 29, 2024. The Holy Year in those churches will conclude on December 28, 2025.

Signs of hope

Although we may feel overwhelmed by the violence and evil in the world, Francis calls upon all to discover hope in our day and the goodness that is in the world. This includes the desires for world peace and for young couples to have children. He also calls upon the Christian community to be a visible sign of hope for all who are going through hardships, in particular prisoners, those sick at home or in hospitals, the young, migrants, and the elderly and the poor.

Appeals for hope

The Jubilee serves to remind all to renew to the call for the fair and equitable distribution of goods, and for adequate funding to eliminate hunger and bring about development in impoverished countries. The pope also calls on the more affluent nations to forgive what is owed them by poor nations, a debt that is impossible to be repaid in full. Francis calls this an act of justice, not of generosity.

The Jubilee Year 2025 will also be the 1,700th anniversary of the Council of Nicaea, which solemnly defined Our Lord's full divinity and established the date for celebrating Easter. Over time, some Christian churches used different factors to determine Easter. Francis notes that since all Christians will celebrate Easter on the same day in 2025 (April 20), the 1,700th anniversary of the Council of Nicaea is a call for work towards Christian unity and a hope for all Christians to celebrate Easter on the same day.

Anchored in hope

In light of the Jubilee, Francis invites us to reflect on the new life Baptism bestows. He notes that baptismal fonts traditionally have eight sides to symbolize Baptism as the 8th Day, the Day of Resurrection, a Day which transcends the normal passage of time.

Martyrs, from the ancient church to contemporary times, provide a most convincing testimony to their hope in eternal life through Baptism.

In Mary, hope discovers its supreme witness. Her sorrows led her to become our Mother of Hope.

As 2031 will mark the 500th anniversary of Our Lady's first apparition at Guadalupe, the pope calls on Marian shrines throughout the world to become special places of welcome for pilgrims. He also calls on pilgrims in Rome for the Holy Year 2025 to visit the city's Marian churches and shrines and ask for Mary's motherly protection.

Hope Does Not Disappoint concludes with the pope's outlook for the Jubilee Year 2025 as one of lasting hope in God and rediscovering trust in the Church and society, in our interpersonal relationships, in international relations, in the task of promoting the dignity of all persons, and in respect for God's gift of creation.

January Reflection

How appropriate it is to begin this 2025 Jubilee Year singing, “Rejoice! All People of the Earth.” For centuries, since the 1500’s, Jubilee Years have been faith-filled gifts of the Catholic Church, calling us to spiritual renewal, now every 25 years. God’s almighty, powerful Presence, as a guiding Force, desires greater intimacy within our lives. As we refocus within this special year, we can highlight struggles which threaten our faith practice.

During the past eleven years of his pontificate, Pope Francis has striven, on multiple occasions, including visits to the faithful in different countries, weekly Wednesday catechism lessons, and different writings—including his most recent Papal Bull, “Hope Does Not Disappoint,” in which he declared 2025 a “Jubilee Year of Hope”—all different means to reassure us of God’s great love for us while mercifully daily rescuing us. Yet, we live in a difficult time of secular overload and injustice in many nations. As a loving Father, God offers us the promise of His daily help with a sacramental intimacy. Truly, thus, we are never alone. Our hope is rooted in His Powerful Presence in our lives. We know in faith that God remains in charge of all happenings.

The theme for this Jubilee Year is for us to cling to the Hope with which God can and will bless us as we rejoice and keep our focus on His loving care. May Mary, Mother of God, our Life and Hope, accompany us throughout this 2025 Jubilee Year of Hope.

Sister Maria Theresa Hronec, SS.C.M.

2025 - Jubilee Year of Hope

Every 25 years the Catholic Church celebrates a Jubilee Year, and 2025 is the Jubilee Year of Hope, taking place now through Jan. 6, 2026, the feast of the Epiphany. Thirty-five million religious pilgrims are expected to visit Rome and the Vatican for this celebration. The home of the Pope, the Vatican is full of cultural significance and houses the largest private collection of art in the world. This will be the 28th jubilee celebrated in the Catholic Church.

Insights and Viewpoints

Nehemiah 8: 2 – 4A, 5 – 6, 8 – 10
I Corinthians 12: 12 – 30
Gospel – Luke 1: 1 – 4; 4: 14 – 21

We begin with the brief introduction by Saint Luke and move to the beginning of Jesus’ ministry. We are told that after Jesus was baptized by John, and was tempted in the desert, he returned home. There is something rather touching in that of all the places Jesus could have begun his ministry, such as Jerusalem, he chose to go to his hometown. While Jesus came as Savior of the World, he never denied that he was born to Mary, and grew up in Nazareth where he learned the carpenters trade. He returns to his hometown to his home synagogue and there reads from the scroll of the Prophet Isaiah, and preaches his first sermon.

Jesus chose the sixty-first chapter of the Prophet Isaiah for his reading, and when he completes it he announces that this passage is fulfilled in their hearing. In contemporary terms it could be said that Jesus began his ministry by presenting his mission statement. It’s a passage in which we are told that he is anointed to bring good news to the poor, to proclaim liberty to prisoners, give sight to the blind, and set free those who are oppressed.

The rest of Jesus’ ministry is his doing just that, and he continues to touch each one of us with his mission. He does so by his personal presence in our lives and in the ministry of the Church, and he does this by using his followers as instruments of his mission. In First Corinthians Saint Paul writes of how this mission of Christ is present within the Church. He speaks

LIGHT ONE CANDLE

St. Thomas Aquinas’ Beatific Vision

Fr. Ed Dougherty, M.M., The Christophers’ Board of Directors

January 28th is the Feast of Saint Thomas Aquinas and the 800th anniversary of his birth. It is the culminating feast of a two-year jubilee that began in 2023, with the 700th anniversary of the saint’s canonization. In between those two monumental celebrations was the 750th anniversary of the Angelic Doctor’s death, elevating the time spanning these milestones to an important period of reflection on the profound influence Saint Thomas Aquinas has had on the life of the Church.

A particularly interesting devotion that took place towards the end of this triple jubilee was a tour of the skull of Saint Thomas, which visited various spots in the United States, including the Dominican House of Studies in Washington, D.C., where Father Thomas Petri, O.P., offered a votive Mass. In his homily, Father Petri said: “We don’t believe the body is merely incidental to who we are. St. Thomas was clear. The human person is not just a soul and body. The human soul is such that it needs a body; it’s ordered to a body: not only to learn, to remember, to think, and to imagine, but to move, to communicate, to be visible, so to speak, in the world.”

Concluding the thought, Father Petri said, “Even now, the soul of St. Thomas retains its ordering to this skull, and this skull is ordered to his soul... and it will rise again on the Last Day...”

Father Petri’s meditation is inspired by Aquinas’ study and development of Catholic doctrine. The saint’s endeavor to explain these complex truths of the faith certainly drew him closer to God throughout his life, which seems confirmed in a mystical experience he had just three months before he died. It happened when he was nearing the end of completing his Summa Theologiae, wherein he sought to condense his most important insights about the faith. It was while celebrating Mass on December 6th, 1223, the Feast of Saint Nicholas, that he received this revelation, considered by some to have been a foretaste of the Beatific Vision. Afterwards, he declared: “I can do no more. The end of my labors has come. Such things have been revealed to me that all that I have written seems to me as so much straw.”

Three months later, Aquinas died while on his way to the Second Council of Lyon. Though he did not finish his Summa, it nevertheless stands as one of the monumental achievements in Catholic thought. Before he stopped writing, he offered this description of the Beatific Vision: “The most perfect union with God is the most perfect human happiness and the goal of the whole of the human life, a gift that must be given to us by God.”

Saint Thomas shared this insight to inspire all people to pursue the Beatific vision as the greatest end of the human soul, and, as he came to realize, that end is far more glorious than could ever be put into words.

Father Petri’s meditation is a reminder of how complete our existence promises to be after the resurrection of the body. The veneration of the skull of Saint Thomas Aquinas that created the occasion for this meditation embraces the sign of contradiction at the heart of the Christian faith. We follow in our Lord’s footsteps to take on suffering and even death in a spirit of renunciation of the world to pursue the things of the spirit with faith that God will restore all things in Christ.

of the Church as the “Body of Christ”, and goes on to make a beautiful and detailed analogy of the human body with the members of the Church who make up the Body of Christ. The numerous members of the Church are blessed with particular gifts and he gives a list of the individuals present in the church at his time; apostles, prophets, teachers, of their call to do mighty deeds. There is the list of the ministries that are present; healers, assistance, administration, those who speak in tongues and those who interpret. All of these gifts, so different in many ways, serve one purpose to build up the Body of Christ.

Paul is addressing one of the realities that was present in the early Christian communities, and is still present in the church today. The gifts that are meant to unite us together as one Body of Christ, can be the cause of jealousy and division. When we look at those around us and the

particular gifts that are present, as well as the various jobs or ministries people are called to within the church, we can become judgmental and jealous. We know their faults and weaknesses and can become so focused on them that we fail to see their gifts. We can desire to do a certain ministry or job that we become jealous of those who are asked to do thee, while we are not asked.

The lesson in these readings is one that calls us to follow the example of Jesus and go home, or stay home in our own parishes and communities to carry out the mission Jesus has given us. And to do so as Saint Paul teaches us by looking at our fellow Christians as brothers and sisters who are gifted, as we are, and to use these gifts together so as to truly be the unites as the Body of Christ.

Killian Loch, O.S.B.

MEMBER TRAVEL ADVENTURES

Beautiful Children of Tanzania

I am walking down a red dirt road through a remote village near Arusha, Tanzania with my fellow missionaries. Various sights and smells perk my interest as I see banana and papaya trees surrounding me. Abruptly we come to a stop but to my surprise I am standing in front of three beat-up wooden walls with a curtain as the door and metal plates as the ceiling. Soon after, a family of six, appears from behind the curtain and greets us all in a foreign language that we are unable to understand. Our interpreter steps forward and begins explaining our mission and our reason for being there. We then provide the family with numerous supplies (water, flour, milk) necessary for their survival. The grateful expression on their faces is unforgettable. Later that day, the family and others in the village teach us how to prepare and cook meals traditional to their culture, and do the laundry by hand. After staying in this foreign but warm place for a few hours, we then move on to other settlements to deliver more food.

Contemplating the hardships such as scarce resources or limited shelter that I had seen that day, I could finally understand and realize how deprived and impoverished some people are around the world. Throughout this Mission trip, I developed a love and passion for helping others in need. Simply because I was overcome by a feeling of joy knowing that I am enhancing someone's life.

During my three weeks in Tanzania, I passionately cared for babies and children at orphanage called Upendo (meaning "Love" in Swahili). In the afternoon we volunteered at street home called Msamaria located in foothills of Mount Kilimanjaro. We served as "big" brothers and sisters to the dozens of children who were abandoned in their childhood.

Despite our obvious differences I felt a connection with those kids. Most of the younger children were unable to speak English, which made it difficult to communicate. Nevertheless, we both found ways to communicate. I used my limited Swahili language which consisted of numbers and greeting. Not only was I able to form closer relationships with some children and adults, but I also adapted some of their beautiful culture and values. This was the most rewarding part because I learned appreciation and showed my love to these children by respecting and being a part of their culture.

This Mission Trip gave me an opportunity to experience the truths and wonders of the world through my own eyes and actions. I came back home knowing that not only was I able to help those in need in Tanzania, but also grow as a person. I saw and lived what most others never get to experience in real life.

Some people asked me "Why would you ever want to go to Africa?" I can proudly answer that I did it because I simply wanted to spread my love and help others. I am already looking forward to my next mission trip to El Salvador this February. I will be assisting professionals who will be providing medical services to residents.

Christmas Giving Tree: A Tradition of Generosity for Branch 746 Members

The Christmas Giving Tree at Holy Family Church in Linden, NJ has been a beloved tradition for many years, bringing joy and hope to those in need. Organized by the parish, the tree is adorned with ornaments, each representing a gift for someone less fortunate. Members of Jednota Branch 746 participated enthusiastically this year by selecting ornaments and purchasing gifts that were needed by the less fortunate.

This year, as in the past, donations were generously given to Mercy House of Newark, continuing a legacy of compassion and community support. We are grateful for everyone’s kindness and for keeping this heartwarming tradition alive, spreading the true spirit of Christmas.

Slovak Christmas Eve Vilija at St. Andrew Abbey 2024

Submitted by Thomas Ivanec, Region 6 Director

The Benedictine monks of St. Andrew Svorad Abbey in Cleveland, OH, in conjunction with the Cleveland Slovak Radio Club, hosted their annual Vilija on Sunday, December 8, 2024. Many members of FCSU Financial were among the sell-out crowd of 320 attendees including National President Ken Arendt and his wife Theresa and National Chairman of Auditors Gregory Maurer. All of the Branches in District 10 were represented: 1, 24, 228, 450, 553, and 855.

Held in the cafeteria of Benedictine High School on the Abbey grounds, the Vilija featured a traditional meatless Christmas Eve "feast" of oplatky with honey, fruit and nuts, mushroom soup, fish, green peas, bobalky, pirohy, and poppy seed and nut rolls.

The luncheon began with prayers and songs in Slovak and English by the Benedictine monks, led by Abbot Gary Hoover, and joined by Vilija Emcee Fr. Michael Brunovsky, and Brother Gabriel Balazovic. The monks then brought the first course of mushroom soup to each table. FCSU Financial donated funds toward the food which was prepared and plated by members of the Cleveland Slovak Radio Club who are also members of the FCSU. FCSU Members who worked the event included: Milka Anderko (Branch 855), Mark Cvicela (Branch 24), Maria Cvicela (Branch 24), Vlad Cvicela (Branch 24), Joe Elias (Branch 1), Dana Glova (Branch 24), Emma Halley (Branch 24), Susie Halley (Branch 24), Jana Horvath (Branch 1), Martin Kulik (Branch 1), Milan Kobulsky (Branch 450), Terezia Nosek (Branch 24), Joseph Oros (Branch 24 Treasurer), Adriana Scally (Branch 450), Lukas Scally (Branch 450), Karin Scally (Branch 855 Vice President), and Tim Scally (Branch 855). The Radio Club is headed by President Henry Horvath (FCSU Supreme Court Member and Branch 855 Auditor).

After the meal, attendees were treated to a performance of Eastern Slovak folk dances by the Lúčina Slovak Dance Ensemble, directed by Thomas Ivanec who also is FCSU Region 6 Director and Branch 24 Member. Many of the dancers are members of the FCSU as well, including Branch 24 President and FCSU Supreme Court Member John Moynihan, Branch 1 Member Adam Hornack, and Branch 24 Members John Allen McIntyre, Lexi Glova, and Anna Nosek. Then, Fr. Michael pulled winning tickets for the 24 baskets of the Vilija Raffle which was sponsored by the FCSU. The raffle was coordinated by Barbara Sutilla (Branch 855 President, District 10 Secretary, and FCSU Branch Liaison), Ann Sutilla (FCSU National Auditor, District 10 Treasurer, and Branch 855 Treasurer), and Terri Ivanec (Branch 24 Member). All raffle proceeds went directly to support the monks of St. Andrew Abbey. Ralph Szubski, the Accordion Man, provided music for dancing and listening pleasure throughout the day.

A Festive Celebration: Branch 746's Christmas Party Brings Joy to All

Submitted by Sabina Sabados, Region 1 Director

The Branch 746 Christmas party held on Sunday, December 22, 2024 was an absolute blast, filled with laughter, festive cheer, and fun activities for all members. Held in the warm and welcoming atmosphere of Bistro 1051's glass atrium room, members gathered together for an afternoon of fun and games, all while celebrating the season and making unforgettable memories.

The afternoon kicked off with a meeting featuring the Election of Officers and exciting discussions about next year's plans. But the real fun began with the Christmas-themed games that had everyone in fits of laughter. One of the highlights was the reindeer antler tossing game, where participants tried to toss hoops onto inflatable reindeer antlers. It was a hilarious sight, with both beginners and seasoned tossers giving it their all for a shot at winning fantastic prizes. The hilarious Gift Unwrapping Challenge required participants to don bulky baking mittens, which made getting to the prize inside a wrapped box both challenging and entertaining. Another crowd favorite was the Build a Snowman Contest, where the most creative (and sometimes hilarious) snowman sculpture took home a big prize! These and other games offered fantastic prizes and added lots of laughter to the festivities.

The celebration concluded on a high note with the singing of Slovak Christmas carols. Voices rang out in unison, filling the atrium with holiday melodies and the warmth of shared community.

As Christmas is a time of giving, members also brought donations of socks for the "Soul Mates" drive as well as donations of non-perishable items for the St. John the Apostle Pantry. Branch 746 would like to wish everyone a happy and healthy 2025. Šťastný a požehnaný nový rok 2025 Vám všetkým prajeme!

On December 8th, 2024, branch members and parishioners gathered for the annual St. Nicholas (Mikulaš) celebration at St. John Nepomucene Church. Attendees enjoyed festive Christmas carols and music, accompanied by a delightful array of Christmas pastries and cookies. The highlight of the celebration was a visit from the iconic St. Nicholas, joined by an angel and devil, adding a magical touch to the festivities.

The holiday spirit continued on December 15, 2024, when Branch 716 and Branch 45 under District 16 attended a Christmas “Vigilia” dinner after Sunday Mass. Christmas with the Slovak Children of Lipka Academy

Submitted by Marianna Fecova, Director, Lipka Academy (Branch 746 member)

Christmas is the most beautiful holiday of the year, bringing humanity, joy, peace, and above all, love. These values are well understood by the children of the Slovak language school - Lipka Academy, who delighted everyone with their program on Sunday, December 15, 2024 at Msgr. Komar Hall in Linden, NJ.

The Christmas atmosphere, magical charm, carols, and the story of Jesus' birth was the premise of this year's program which was all conducted in the Slovak language. The more than 50 children of the

weekend language school showcased their talents to an audience of more than 150 parents, friends and members of FCSU Financial. Branch 746 is a proud supporter of Lipka Academy as members care deeply about the young Slovak generation growing up in the USA and ensuring that they learn about the heritage and culture.

The event was also attended by the new priest and administrator of the Slovak-American parish of the Holy Family in Linden, NJ, Father Tadeusz Mierzwa. He enjoyed the children's performance and appreciated the effort to preserve the Slovak language among the youngest generation. Although Father Tadeusz is of Polish descent, from his first day in our parish, he has worked to ensure that Masses are celebrated in Slovak. He is also an exemplary student of Slovak at Lipka Academy. We are delighted and grateful for his support in building the Slovak-American community. Slovak masses are observed at the parish every Sunday at 9:30am and starting in February, there will be a children's Mass on the first Sunday of every month, followed by breakfast—a wonderful opportunity to meet and connect.

Branch 746 members had the opportunity to speak with Father about this plans for the parish as well as present him with a financial donation to Holy Family church. The event was a wonderful opportunity for all generations to interact and reminisce about the Slovak traditions during Christmas and concluded with a visit from Santa!

Vianočná oslava v Lipke Academy spolu s členmi Jednoty, Branch 746

Vianoce- najkrajšie sviatky roka. Prinášajú so sebou ľudskosť, radosť, pokoj a predovšetkým lásku. Tieto hodnoty poznajú aj deti z Lipky Academy, ktoré svojim programom potešili všetkých prítomných.

Vianočná atmosféra, tajuplné čaro, vianočné piesne a príbeh o narodení Ježiška. To všetko sa dalo zažiť v Lipke Academy. Celý program sa niesol v slovenskom jazyku, nakoľko slovenčina je živým jazykom aj u mladej generácie žijúcej v USA a práve udržiavaním a pracovaním na jej zachovaní vďačíme aj členom Prvej Slovenskej Katolíckej Jednoty, Branch 746 na čele s ich regionálnou riaditeľkou Sabinou Sabados, ktorí nás finančne znovu podporili a aj vďaka nim máme možnosť rozvíjať a skvalitňovať výučbu slovenského jazyka. Vážia si našu prácu a veľmi im záleží na mladej slovenskej generácii vyrastajúcej v USA. Aj vďaka nim Lipka Academy má možnosť sa posúvať a rásť a poskytovať svoje služby všetkým, ktorí majú o udržanie jazyka záujem. Zo srdca im ďakujeme za finančnú pomoc, podporu a možnosť vždy ich vidieť na našich vystúpeniach.

Vystúpenia sa zúčastnil aj nový kňaz a administrátor slovensko- americkej farnosti Svätej Rodiny v Linden, New Jersey, otec Tadeusz Mierzwa, ktorý sa tešil z vystúpenia detí a udržiavania slovenského jazyka aj u najmladšej generácie. Otec Tadeusz je poľského pôvodu, ale od prvého dňa v našej farnosti pracuje na tom, aby sväté omše boli v slovenčine a preto je aj vzorným študentom slovenčiny v Lipke Academy. Tešíme sa a sme vďační za podporu a budovanie slovensko- americkej komunity. Všetci ste vítaní na slovenských omšiach každú nedeľu o 9:30 ráno a od februára každú prvú nedeľu v mesiaci na detskej omši, po ktorej sú prichystané raňajky s cieľom stretnúť sa a porozprávať.

Veríme, že si každý odniesol len tie najkrajšie zážitky a že v tejto tradícii budeme v zdraví aj naďalej pokračovať.

John was born on April 21, 1949, in Youngstown, OH, and was the eldest child of Judge John J. Leskovyansky. Sr. and Ethel V. Drew.

and ballroom dancing were some of his hobbies. He delighted many with his skillful outdoor wood-fired roasting of turkeys, lambs, and pigs.

A passionate sports enthusiast, John was an avid supporter of the Cleveland Browns and Ohio State. He particularly

cherished tailgating and attending Youngstown State University football games, having celebrated the team's appearances in several National Championship games since the 1980s. Most importantly, John treasured the time spent with his family, particularly his grandchildren, enjoying activities like camping and riding ATVs.

John is survived by his children, John of Michigan, Richard (Tabitha) Hoffman of Boardman, Mark (Robyn Bird) Hoffman of New Castle, and Lauri Johnson of Aurora. He is also lovingly remembered by his grandchildren: Skyler Pinkerton, Samantha Hoffman, Hayden Hoffman, Clayton Hoffman, Adam Lippy, Jordan Johnson, and Grace Johnson, as well as four great-grandchildren. He leaves behind his younger siblings, Paul (Colette) Leskovyansky, Susan (Donald) Freeman, and Mark Leskovyansky, two aunts, six first cousins along with his former spouse Karen Schwarz and niece Victoria (Daniel) and their children.

John was preceded in death by his parents, John and Ethel, and his granddaughter Abigail Lippy.

His service was held at Our Lady of Sorrows Parish, St. Matthias Church in Youngstown. A Mass of Christian Burial followed with Rev. Msgr. Peter Polando, J.C.L. presiding. John was laid to rest next to his parents at Lake Park Cemetery.

Before graduating from Cardinal Mooney High School in 1967 he played offensive tackle and defensive linebacker. He earned both his bachelor's and master's degrees at Youngstown State University in accounting in 1973 and 1978, respectively. While working his way through college at the steel mills, John built a successful career as an accountant, serving in the Ohio State Auditor's Office, as Finance Director for the City of Campbell, and as Assistant Auditor for the City of Alliance until his retirement. He served in the U.S. Army Reserves for decades, formally retiring in 2009 at the rank of Sergeant 1st Class.

A lifelong resident of the Mahoning Valley, John was a devoted parishioner of Our Lady of Sorrows Parish, St. Matthias Church. He held various offices with the First Catholic Slovak Union (Jednota). As President of District 14 at Jednota, he was proud to represent FCSU members in the Youngstown area, and he participated in countless conventions alongside his parents. Notably, at the 48th Quadrennial Convention in 2006 held in Boca Raton, FL, John was elected to the office of National Auditor, a position he held until his passing. Edward G. Smrek Branch 682 Youngstown, OH

Surrounded by his loving family, on November 16, 2024, Edward G. Smrek passed away peacefully at The Addison of Cornersburg where he resided the past year with his devoted and loving wife, Rita.

Edward, known by his family and friends as "Ed," was born September 16, 1928 in Youngstown, OH to the late George Smrek and Mary (Granchie) Smrek Hutira.

Upon graduating from Woodrow Wilson High School in 1946, he began working for Youngstown Sheet and Tube at the Briar Hill Works until 1951 when he proudly joined the U.S. Air Force during the Korean Conflict.

In 1955, Ed came back home and returned to the Youngstown Sheet and Tube Company while also enrolling

OBITUARIES – NEKROLOGY

in night classes at Youngstown State University. Ed graduated from YSU in 1962 and worked his entire career in the steel industry as a metallurgical chemist. He spent 36 years with YS&T and later 14 years with Republic Steel in Warren until his retirement in 1997.

After meeting the love of his life, the former Rita R. Walihnac, on July 4, 1955 at the Avon Oaks ballroom in Girard, he asked her for her hand in marriage after four short months. They married on April 21, 1956 and recently celebrated their 68th wedding anniversary.

Ed's greatest joys in life were his deep love for his family and his passion for music. A man of deep faith, he and Rita were charter members of St. Luke Parish for 60 years where they raised their children to place God first in their lives. He was a 3rd Degree Knight with the Knights of Columbus and was a member of St. Luke's Holy Name Society.

An accomplished musician, Ed played the saxophone, clarinet, and violin in a local polka band led by Steve Garchar. Additionally, he was the longest standing member with the Youngstown Symphony Orchestra where he skillfully played his violin, for over 48 years, until he reluctantly retired at the tender, young age of 86.

In his later years, he enjoyed playing his violin alongside his sons as a member of the Youngstown State Orchestra. For the last 30 years, he also enjoyed playing Christmas carols in the living room on Christmas Eve with his children, their spouses, and his grandchildren, all accompanying him on their own instruments. He was lovingly known as "the leader of the band."

Ed enjoyed swimming, bowling and golfing. As a YSU alumni, post-

retirement, he took advantage of the opportunity offered to all alumni enabling him to attend various classes on campus. He even ended up in a class with one of his grandchildren!

Left behind to mourn Ed is his loving wife of 68 years, Rita R. Walihnac. Left to cherish his memories are his five children, his sons, Ron (Melissa), Richard (Linda), and Randy (Tracey), and his daughters, Rose (Ray) Knight and Ruth (Airic) Balestra. He leaves ten grandchildren, Michael Smrek, Anne Smrek (Rod Scoville), Mary Smrek, Shannon (Zach) Christoff, Brianna (Tim) Koehler, Chris Knight, Conner Knight, Nathan Smrek, Emilee (Sam) Dwyer, and Natalee Balestra; five great-grandchildren, Audrey, Alex, and Aiden Christoff, Noah Koehler and Leo Scoville. He also leaves behind two sisters, Rita Premec and Mary Ann Lapinski; and a sister-in-law, Helen Walihnac.

Ed was preceded in death by his mother and father; his sister, Mary Ellen "Dolly" Ivan; and his brother, William Smrek.

Chewy's Corner

Hi friends, it's Chewy! Happy New Year! I hope you had a nice vacation (dovolenka). I sure did. I spent time with my family, had a break from school and had a fun Christmas. What was your favorite present (darček)?

I got some games, clothes, a snowboard and one very meaningful gift. My grandparents opened a Coverdell account for me. They said they would add money (peniaze) to it every year for my birthday and special occasions. Grandpa said when I am ready to go to college (vysoká škola), there will be a nice "chunk of change" to help me with tuition (školné). I am not thinking about college right now, but mom says it will be here before we know it.

Mom also said that FCSU Financial has scholarships for students starting from 5th grade up through graduate school. I could possibly earn a scholarship soon and my parents would be so proud (hrdí)!

That's enough talk about the future (budúcnosti)! In January, it snows a lot here in Ohio and I am excited to learn a new sport (šport). I am ready to hit the slopes! I will bundle up to brave the cold weather and drink some hot chocolate when I get down to the bottom of the hill. I'll talk to you to month!

Your friend, Chewy (ČUVAČ)

Lecture on Slovak Culture in Washington Attracts Surprise Guest

Submitted by Ken Bombara, member of the Board of Advisors, and past Chairman, of Friends of Slovakia

On the eve of the 2024 U.S. presidential election, Nov. 4, an audience at the Slovak Embassy in Washington, D.C. enjoyed a delightful presentation of Slovak cultural heritage as well as an unexpected visit by a high-level government official.

A lecture and presentation entitled, "Slovak Intangible Cultural Heritage: Music, Traditions and Instruments," was led by Prof. Juraj Hamar. Prof. Hamar is a recognized musicologist, ethnologist, and expert on traditional Slovak folk music. Currently head of the Department of Aesthetics at Comenius University in Bratislava, he is also general director of the Slovak Folk Art Institute (SL'UK), where his scientific work focuses on the research of Slovak folk songs and musical instruments. Prof. Hamar was in Washington after doing a similar presentation the day prior at the University of Pittsburgh Slovak Heritage Festival.

Prof. Hamar is an enthusiastic performer of music on folk instruments, and he regularly performs at concerts and cultural events both in Slovakia and abroad. For this lecture he focused on an overview of the Representative List of Intangible Heritage that is compiled by UNESCO (United Nations Educational, Scientific and Cultural Organization). Countries submit a list of items for the List which are reviewed for inclusion. The purpose of the list is to promote preservation of cultural treasures thus contributing to international cooperation and understanding. Prof. Hamar focused on seven Slovak items that have been approved for the List, and he presented videos or personally demonstrated the items (<https://www.unesconadosah.sk/nehmotne-dedicstvo-unesco>).

These included:

- Fujara and fujara music
- Bagpipes and bagpipe culture
- Horehronie polyphonic singing
- Tinkering
- (village of) Terchová music
- Traditional puppetry in Slovakia
- Blue print fabric process
- Falconry

In addition to performing on the fujara, flutes, and bagpipe (one that is a little different than what you are used to from Irish/British culture), Prof. Hamar turned to an amusing demonstration of Slovak puppetry, including the famous 'Gašparko,' who accompanied him from Slovakia. The audience was treated to an informative lecture and really a tour-de-force of Slovak traditional culture.

As the audience assembled for the performance, they were a bit surprised as in walked the Chief Justice of the Supreme Court of the U.S., John G. Roberts, with his wife Jane, who sat down in the front row. The Chief Justice had received an invitation from the Slovak Embassy and decided to accept it, perhaps seeking a slight break from the focus on the imminent presidential election. As is generally known, the Chief Justice has Slovak ancestors on his mother's side that came from the Spiš region. Prof. Hamar even performed a song from the region for the Chief Justice.

After the presentation, Amb. Radovan Javorčík hosted a reception for the attendees, many of whom interacted casually with the Chief Justice. It is nice to know that the evening prior to a momentous presidential election, the head of one of the three branches of the federal government (the Chief Justice) chose to spend his time with the Slovaks and Slovak culture.

Prednáška o slovenskej kultúre vo Washingtone priťahuje prekvapujúcich hostí.

V predvečer prezidentských volieb v USA v roku 2024, 4. novembra, sa publikum na slovenskom veľvyslanectve vo Washingtone, D.C. tešilo z príjemnej prezentácie slovenského kultúrneho dedičstva, ako aj z nečakanej návštevy vysokého vládneho predstaviteľa.

Prednášku a prezentáciu s názvom „Slovenské nehmotné kultúrne dedičstvo: hudba, tradície a nástroje“ viedol prof. Juraj Hamar. Prof. Hamar je uznávaný muzikológ, etnológ a odborník na tradičnú slovenskú ľudovú hudbu. V súčasnosti je vedúcim Katedry estetiky na Univerzite Komenského v Bratislave, zároveň je generálnym riaditeľom Slovenského ľudového umeleckého ústavu (SL'UK), kde sa vo vedeckej práci zameriava na výskum slovenskej ľudovej piesne a hudobných nástrojov. Prof. Hamar bol vo Washingtone deň po podobnej prezentácii na Slovak Heritage Festival v Pittsburskej Univerzite.

Prof. Hamar je zanietým interpretom hudby na ľudových nástrojoch a pravidelne vystupuje na koncertoch a kultúrnych podujatiach na Slovensku i v zahraničí. V rámci tejto prednášky sa zameril na prehľad Reprezentatívneho zoznamu nehmotného dedičstva, ktorý zostavuje UNESCO (Organizácia Spojených národov pre vzdelávanie, vedu a kultúru). Krajiny predkladajú zoznam položiek do zoznamu, ktoré sa posudzujú na zaradenie. Účelom tohto zoznamu je podporovať zachovanie kultúrneho bohatstva a tým prispieť k medzinárodnej spolupráci a porozumeniu. Prof. Hamar sa zameril na

sedem slovenských položiek, ktoré boli schválené do Zoznamu, a položky prezentoval alebo osobne predviedol (<https://www.unesconadosah.sk/nehmotne-dedicstvo-unesco>).

Patrili sem:

- Fujara a fujarová muzika
- Gajdy a gajdošská kultúra
- Horehronské polyfónne spevy
- Drotárstvo
- (obec) Terchová muzika
- Tradičné bábkarstvo na Slovensku
- Modrotlačový textilný proces
- Sokoliarstvo

Okrem hrania na fujare, píšťalách a gajdách (trochu iných, než na aké ste zvyknutí z írskej/britskej kultúry), sa prof. Hamar venoval zábavnej ukážke slovenského bábkarstva, vrátane slávneho Gašparka, ktorý ho sprevádzal zo Slovenska. Poslucháčov čakala poučná prednáška a naozajstná prehliadka slovenskej tradičnej kultúry.

Keď sa diváci zhromaždili na vystúpenie, boli trochu prekvapení, keď kráčal predseda Najvyššieho súdu USA John G. Roberts so svojou manželkou Jane, ktorí sedeli v prvom rade. Predseda senátu dostal pozvanie od slovenského veľvyslanectva a rozhodol sa ho prijať, možno si chcel trochu oddýchnuť od sústredenia sa na blížiacu sa prezidentské voľby. Ako je všeobecne známe, predseda Najvyššieho súdu má z matkinej strany slovenských predkov, ktorí pochádzali zo Spiša. Prof. Hamar dokonca predniesol pre predsedu senátu pieseň z regiónu.

Po prezentácii Amb. Radovan Javorčík usporiadal recepciu pre prítomných, z ktorých mnohí nezáväzne komunikovali s predsedom senátu. Je príjemné vedieť, že večer pred významnými prezidentskými voľbami sa šéf jednej z troch zložiek federálnej vlády (predseda súdu) vybral stráviť čas so Slovákami a slovenskou kultúrou.
